Unlisted Property Funds Review 2008 (Retail investment)

Ideal for Fund Managers, Private Investors and Product Development Managers wanting to gain a clear understanding of the shifting landscape of this niche property funds market.

PIR, Australia's Leading Independent Research Organisation, has released the Unlisted Property Funds Review 2008. The review focuses specifically on the retail investment segment of the securitised property industry and provides you with a comprehensive sector overview and statistical analysis using data collected from approximately 200 unlisted property funds.

The two-part review includes...

Part One – Overview of Unlisted Property Funds Sector (Retail Investments) includes:

- Executive Summary and PIR View
- Future Trends
- Size of the Sector with Sector Growth Charts
- Direct Property Syndicates (DPS) vs Unlisted Retail Funds (URF)
- Fund Diversification by Location and Asset Class over time
- Syndicate maturity profiles

**Current member
discounts apply**

Part Two – Statistical Analysis includes:

- Major funds and fund managers - top ten in each category
- Industry Return on Equity (ROE) - Actual and Forecast Data
- Individual Fund Data - ROE: Actual vs Forecast
- Fee Benchmarking
- Editorial content including (but not limited to):
 - future product evolution
 - asset allocation
 - diverging yields and returning capital

**Order Now &
receive Part 2
upon publication**
(anticipated May 2008)
